

## 2020 – 2021 SCHOOL SUPPLY LISTS

Next year is sure to be exciting when we get to return to school!! Even with the possibility of online learning in the Fall, parents will still need to provide the items identified below for your students in-classroom curriculum when we return to school.

### **There are two options to provide your students supplies for the 2020-21 school year.**

--Purchase the supplies and drop off at “Meet & Greet” event in August or later (check the Centennial calendar for details in late summer)

--Purchase a school supply kit online from **11 May to 5 June 2020** to be delivered directly to the school [www.shopttkits.com](http://www.shopttkits.com) School Code: 39617

Centennial offers school supply kits through the Teacher Tailored program as a convenience to busy parents. Online ordering for this School Supply Kit program kicks off in the months of May/June (the previous school year). Check Centennial Facebook and Thursday Folders for reminders! School supply kits are delivered directly to the school in August. Parent volunteers are needed to unbox and distribute these supplies. Contact [cynthia.teno@gmail](mailto:cynthia.teno@gmail.com) with questions regarding the school supply kits and consider volunteering for the kit distribution to the classrooms in August:
