

Centennial Parent-Teacher Association (PTA)

It takes a village to make Centennial a great school. At Centennial, we appreciate how curious minds are challenged and encouraged; how working together as a crew is celebrated; and how our students are given opportunities to create, explore, and exercise their independence. The Centennial PTA partners with the school to support these goals.

SCHOOL-YEAR-KICKOFF FAQs

When are PTA meetings?

Our PTA meets the third Tuesdays of the month, September-May. The kick-off PTA Meeting for '22-23 is Tuesday, August 30th @ 6:30pm. Meetings will be held in person in the school library with free childcare available.

Who may attend PTA meetings?

Everyone is welcome! Membership is not required to participate in PTA! Parents, teachers, staff, caregivers are all invited to join us. PTA meetings are a place for us all to connect with each other, stay updated by our school administration, and share ideas about our school community's needs.

Why become a PTA member?

Our sincere hope is that PTA can serve as a place our families may find some connection to the school.

Also, membership gives you the power to vote! Do you want to have a voice and input on planning community events? A say in what PTA funds? Decide whether our PTA endorses measures or legislation affecting education at the county and state level? Become a member. You can pay your dues any time during the school year. One minute before a vote is never too late!

What do your PTA membership dues pay for?

Individual memberships are \$10;
Family memberships (two adults) are \$15.

About 2/3's of those dues cover our fees to the state and national PTA boards. The remaining portion goes to operating costs like our liability insurance.
