

WE ARE CREW

Communication leads to success

At Centennial – A School for Expeditionary Learning, we believe that communication is at the heart of education. We encourage our families to be involved and knowing what is happening at school helps ensure your child's success.

We want to make sure families are connected in as many ways as possible. We have a variety of ways in which information, event updates, and CREW news are shared:

WEEKLY EMAILS

Sent out every Thursday, this email includes school updates, CREW news, community events, and flyers.

You must sign up to receive these emails. Go to <http://centennial.dpsk12.org/thursday-folder-documents/> and click on "Join our mailing list" to subscribe. The emails may go to your spam folder until you click the subscribe button at the bottom of the email.

Flyers included in these emails for events like discounts at Skate City can always be printed or stop by the front office to pick up a copy.

Please let us know in the front office if you need help setting up an email account or would prefer flyers be sent home with your student.

WEBSITE/GOOGLE CALENDAR

<http://centennial.dpsk12.org/>

The website is a great place to find Before/After School information, curriculum resources, parent handbook, and school contact information.

You'll find a Google Calendar on our website; we encourage you to add this calendar to your personal calendar on your phone.

You will also find links to the PTA and Centennial's Volunteer Program.

ROBO CALLS/TEXTS/EMAILS

These are sent out to convey important information and may be sent by the school or the district. You will select your preferred delivery method and submit your contact information during registration. If you are not receiving ROBO calls or want to update your settings, please contact the front office.

FACEBOOK

Connect with Centennial on social media for updates from the school, PTA, and other community events.

PTA NEWSLETTER

The PTA meets the 3rd Tuesday of the month, 6:30 p.m. in the library. The PTA newsletter is a great resource for community events, fundraising, and ways to support our teachers through the year. Email centennialfamily@gmail.com to receive updates from the PTA.

CLASSROOM UPDATES

Teachers will communicate updates from the classroom, including Expedition details and reminders relevant to specific crews. Please check with your teacher as to their primary communication method (Bloomz, email, etc.).

WE ARE CREW, NOT PASSENGERS

Effective two-way communication is crucial for academic achievement. We encourage you to reach out to your teachers and school administration when necessary so that we can work together to provide your child with the best educational experience.

You can find email addresses and other contact information for our entire CREW on the website:
